**ABOUT US**

Paramount Automotive’s mission has always been to design and manufacture innovative vehicle-enhancing products for off-road enthusiasts. To maintain our position at the peak of our industry, we are investing ourselves in new product development and quality improvements for a wide variety of vehicles and customers. Whether you drive a Truck, Jeep, or SUV, Paramount Automotive is here to enhance your vehicle with products that deliver quality, functionality, and profitability.

To deliver on that highest standard of quality and innovation, Paramount Automotive has enhanced our design and manufacturing operations in metal and plastics to create superior off-road products. Our metalworking and thermoforming machinery is the finest in the industry, surpassing our competition by all standards of quality and innovation, as we continue to advance from strength to strength.

This positions Paramount Automotive as the pinnacle in off-road design and manufacturing both now and in the future.
Paramount Automotive’s professional truck racks combine impressive strength, elegant design and ease of installation. Our unique design allows for infinite adjustability in all the right places for a custom fit on all trucks - long bed or short bed. All of our racks include no-drill mounting.

**FEATURES**
- Heavy Duty racks are rated to support loads up to 1000 lbs
- Zinc-plated, grade-8 hardware provides maximum strength and durability
- Racks can be adjusted to fit long-bed and short-bed trucks
- Welded tie down cleat on each upright
- Center cross member is fully adjustable to support large or small loads properly
- Removable rear cross member for carrying tall cargo
- Durable black powder-coat finish
- No drill installation
- Lifetime structural warranty against manufacturers defects
- 5 year warranty on finish

### TERMS AND CONDITIONS

**WARRANTY/DEFECTIVE RETURNS**

**UNLESS OTHERWISE SPECIFIED:**

- All Paramount Automotive products carry a 5 year warranty on finish and lifetime warranty against manufacturer defect.
- Damage due to improper installation, on or off road hazards, product modification, or neglect are not covered.
- This warranty is not transferable from the original buyer. For the original buyer to be eligible for the limited warranty coverage, the buyer must provide proof of purchase.
- Paramount Automotive’s only obligation shall be to replace its product proven to be defective. Paramount Automotive shall not be liable for any injury, loss or damage, direct or consequential, arising out of the use or the inability to use the product.
- Before use, the user shall determine the suitability of the product for its intended use, and assumes all risk and liability whatsoever in connection therewith.
- Customer’s remedy therefore shall be limited to repair or replacement (at Paramount Automotive’s option) of any defective part(s) returned to Paramount Automotive at customer’s expense. The determination of whether or not a returned part is defective or subject to coverage under the limited warranties stated herein shall be made at Paramount Automotive’s sole discretion.
- All returned items must have an RGA number assigned and written visibly on the outside of the package. Issuance of an RGA number is not an approval for credit. Paramount Automotive will repair, replace, or issue credit for the defective product only after its receipt and inspection.
- Any modifications made to returned product will nullify qualification for credit. Product must be in its original condition. Paramount Automotive is not responsible for shipping, handling, labor or paint costs for items returned or replaced.
- The foregoing limited warranties are exclusive, and are in lieu of all other warranties, whether written, oral or implied, including, without limitation, any warranty of merchantability or any warranty of fitness for a particular purpose.

**RETURNS/WARRANTY:**

- Warranty: 5 Year warranty on finish. Lifetime warranty against manufacturer’s defect.
- All return requests must be sent on a return goods authorization form (“RGA”) provided by Paramount Automotive. The RGA number will be issued by the Paramount Automotive and must appear on the bill of lading.
- All return authorizations are valid for 90 days from the date of approval.
- Any goods returned without an RGA number will be refused and returned to the sender.
- All returns could be subject to a minimum of 20% restocking fee. This charge will be dependent upon the condition of the merchandise received.
- Goods must be in saleable condition in the original package with all its original content.
- A packing slip must go with all shipments. The packing slip must be in the carton marked as such.
- The packing slip must show the following:
  - Reseller’s complete name and address.
  - RGA number.
  - Reason for return (e.g., warranty, stock adjustment, etc.). Items listed by part number, in numeric order, and boxes numbered and marked with contents.
  - All returns must be shipped prepaid. In case of a shipping error or warranty return, freight credit will be issued.
  - All return shipments must be packaged appropriately to prevent damage in transit.
  - Resellers will be notified in writing if any product is considered not returnable, and will be given ten (10) business days to inform Paramount Automotive whether such product should be returned freight collect. If Paramount Automotive is not notified within this ten (10) business day period, Paramount Automotive will automatically destroy the product.
